Check back for our next update. We offer the best prices on golf product in Fredericton.

We're good but sometimes even we miss somebody's sale. If somebody else is selling the same product as we are, but cheaper, we'll match their price PLUS give you 10% of the difference between their price and our original price. Some exclusions, such as private sales, apply so check with us first. Call us from the "Big Box" store if you like.

Join our mailing list to be the first to know when we markdown our already low prices or have "flash sales" on product.
